Praying the Rosary for Life and Mary's' intentions makes Mary happy. Praying the Rosary for Life in front of Planned Parenthood does not make them happy. Praying the Rosary for Life anywhere else does make them happy. So why are you somewhere else and not where you will make a difference?

Rumors about Knights in the Kingdom

It is rumored that the 45,000 Knights of Columbus are the right arm of the Church here in Massachusetts. Imagine the potential of the Knights of Columbus. Imagine just one Saturday morning with 45,000 Pro-Life Knights of Columbus praying the Rosary for their fellow Americans in the womb in front of Planned Parenthood. Just imagine. Or imagine 50 Saturday mornings with 900 Pro-Life Knights of Columbus praying the Rosary for their fellow Americans in the womb in front of Planned Parenthood. Just Imagine. Or imagine 50 Saturday mornings with only 1/3 of the 900. Imagine 300 Pro-Life Knights of Columbus praying the Rosary for their fellow Americans in the womb in front of Planned Parenthood. Imagine 3,750 Pro-Life Knights of Columbus praying the Rosary for their fellow Americans in the womb in front of Planned Parenthood. Just Imagine. Imagine 375 Pro-Life Knights of Columbus praying the Rosary for their fellow Americans in the womb in front of Planned Parenthood. Just Imagine. And imagine if just a single Unborn American was saved due to their presence. It would have been worth it. Just Imagine. And I can imagine that many more would be saved.

Unfortunately my imagination is incredibly faulty as nothing I have imagined has happened or is likely to happen. Death trumps life in Massachusetts with too few witnesses for life.
